Speech

I am a graduate in Electronic Physical Science with working experience in research projects, I am always looking for exciting new interdisciplinary projects related to physics.

IT & Programming

Currently, I am developing realtime applications with Python, and creating a GUI with tkinter, and extracting from the script 'file.py' an executable file by pyinstaller using auto py to exe.

Hobbies

- Python Tutorials
- Development News
- Stack Overflow
- Brain Games

In my freetime I search lots of dev news and i learn from others on Stackoverflow.
