Speech

I am a graduate in Physics Electronic with working experience in research projects. I am always looking for exciting new interdisciplinary projects related to physics.

IT & Programming

Currently, I am developing realtime applications with Python, and creating a GUI with tkinter, and extracting from the script 'file.py' an executable file by pyinstaller using auto py to exe.

Hobbies

Python Tutorials · Development News · Stack Overflow · Brain Games
In my freetime I search lots of dev news and i learn from others on Stackoverflow.
